**SILENT AUCTION...CALLING ALL MEMBERS:** When you join us in March for our annual conference, we would love for you to bring an item along to donate to our Silent Auction. The item can be, but does not have to be, aronia related. Some examples may include: framed pictures, household goods, aronia products, harvesting products, tools, automotive, gift certificates, etc. Think outside the box! When you arrive at conference, hand your item (s) to the folks at the registration table and they will get it organized for bidding during the conference. All money raised will stay with MAA. We are raising money for the association in order to help continue to improve the benefits that our members receive. Let's have a little fun with this.
